Financial Report

Jim Jenkins presented the financial report as follows:

- The LTA finances have been in the black for 6 years and the Board has been a good steward of the LTA's finances. The cash reserves have been built up over the last few years.
- This year the forecast will be a surplus of about \$3,500. A good deal of it was due to a reduction in trophy costs obtained by Danny Batten. The remainder was due to larger than budgeted number of targets thrown.
- The target prices were increased this year due to the cost of the White Flyer targets.
- No extraordinary expenditures were made this year.
